

## Medicine Grade Off-White Crystalline Powder CAS 79794-75-5 Loratadine

Our Product Introduction

### Basic Information

- Place of Origin: Hebei, China
- Brand Name: Xinzhou
- Certification: COA, GMP, CQC, SGS
- Model Number: 79794-75-5
- Minimum Order Quantity: 100g
- Price: Discuss in detail
- Packaging Details: 1kg/bag
- Delivery Time: within 3 days
- Payment Terms: T/T, Western Union, MoneyGram, telegraphic transfer and bitcoin
- Supply Ability: 500kg/week

### Product Specification

- Cas No.: 79794-75-5
- Product Name: Loratadine
- MF: C<sub>22</sub>H<sub>23</sub>ClN<sub>2</sub>O<sub>2</sub>
- Purity: 99%
- Type: API Active Pharmaceutical Ingredients/Medicine Raw Material
- Grade Standard: Medicine Grade
- Other Names: LORATADINE; LORATADINE-D5; LORATIDINE; CLARATYNE; CLARITIN; etf (8-chloro-5,6-dihydro-11h-benzo[5,6]cyclohepta[1,2-b]pyridin-11-ylidene)-1-piperidinecarboxylate; 4-(8-Chloro-10,11-dihydro-4-azChemicalbooka-5H-dibenzo[a,d]cycloheptene-5-ylidene)piperidine-1-ca
- Eines No.: 935-907-9
- Sample: Available
- Highlight: white active pharma ingredient

## Company Profile

### **Xingtai Xinzhou Technology Co., LTD.**

Xingtai Xinzhou Technology Co., Ltd. was established in 2022 with strong research and development capabilities and superb synthesis technology, as well as advanced quality control measures. Effectively promote the joint venture and cooperation with the major enterprises, manufacturers, with the idea of industrial development to serve the society and the majority of users. We always adhere to the market demand as the orientation, constantly synthesizing new high-tech chemical products and medical intermediates, mainly exported to the United States, India, South Africa, Nigeria and other countries and regions, has a wealth of export experience, to ensure transportation safety, can let each customer as soon as possible to safely receive the goods.

## Certificate

An ISO 9001 & GMP qualified company, we are mainly specialized in producing high quality but low price Pharmaceutical intermediates, APIs and other fine chemicals & cosmetics products which related to human and animals medicines as well as additives in gas & oil field, almost half of the goods are for exporting. What's more, we provide the OEM (customize) manufactures, if you can't find materials from the world, then tell us, we will research and produce in our high-tech equipped laboratory. We are dedicated to satisfying our customers with our products and services

1. We can provide you with ten thousands of products of different levels.

2. We offer convenient one-station purchasing service.

- (1) Any inquiries will be replied within 12 hours.
- (2) Dedication to quality, supply & service.
- (3) Strictly on selecting raw materials.
- (4) Reasonable & competitive price, fast lead time.
